Dear Professor Kronstein:

It was good to see you in the anteroom of the President's office last week.

I wish you to know that I am very happy to learn from Don Wallace that the Institute may be discussing with you certain research projects in which you have an interest.

I am glad to hear that this may be accomplished as it appears to me to be in the spirit of the prior communications between the Institute and Dr. Rieger. I look for success in this common work.

Best wishes,

ADRIAN S. FISHER
Dean
