Dear Kurt:

If I never thanked you formally for your letter of September 28 and its attachments let me do so now.

You will have a copy of Father Henle's memo to Father Fitzgerald of October 21. Please find enclosed a copy of my memo October 28 to Dan Altobello (Father Henle's assistant), regarding item 8 of Father Henle's memo. Charlott's letter to you of October 25 is addressed to this point. I think we should handle things in the manner noted in my October 28 memo, and, as I note, Dan Altobello agrees.

Sorry to trouble you with these matters.

Sincerely yours,

Don Wallace, Jr.
